

Goddess Festival 2010 Massage Information & Registration Form

Massage space is **approximately two 3'x6' areas** - no chairs, shared area under an outdoor 10'x10' canopy which will be set-up in a fairly quiet area near redwood trees. You are required to provide your own drapes, and they cannot be sheer. There is no nudity allowed outside the draped canopy area. There is no electricity. You must supply your own massage table, linens, oils, etc. You may not tape, hang, nail or tack anything to the trees! You may not have fire of any sort! It's just you, your client and the great outdoors!

We have **2 massage positions at \$100 each**. The space inside the canopy is shared by both body workers equally. You will have to have a mutual agreement to work side-by-side in the same space together, and be mindful of each other's clients. A sign-up sheet will be made available to Festival attendees at the Cafeteria Vending Hall. Those who wish to have a massage will schedule it on the sign-up sheet in advance. It is the sole responsibility of the body worker to meet their clients and collect their own fees.

The *absolute deadline* for submission of your Massage application is **April 30th**. We hope to have the selection process completed by **May 15th**. Fees will be due by **May 30th**. We use **PayPal** for payments. All body workers will be notified by email whether their application has been accepted or not.

Please use the Goddess Festival 2010 Massage Application form. Do NOT send an email or an improvised form; all such massage applications will be automatically rejected. There is NO body work is permitted outside of the authorised massage area.
